

SWAMP BASE

Step 1.

Using an old brush, paint 'Muddy Ground Acrylic' from AK over the top of the base

Allow the base to dry for a few hours before proceeding to the next step.

Step 2.

Using a small dry brush, paint the raised areas with Citadel's 'Sylvaneth Bark' to create subtle highlights.

Step 3.

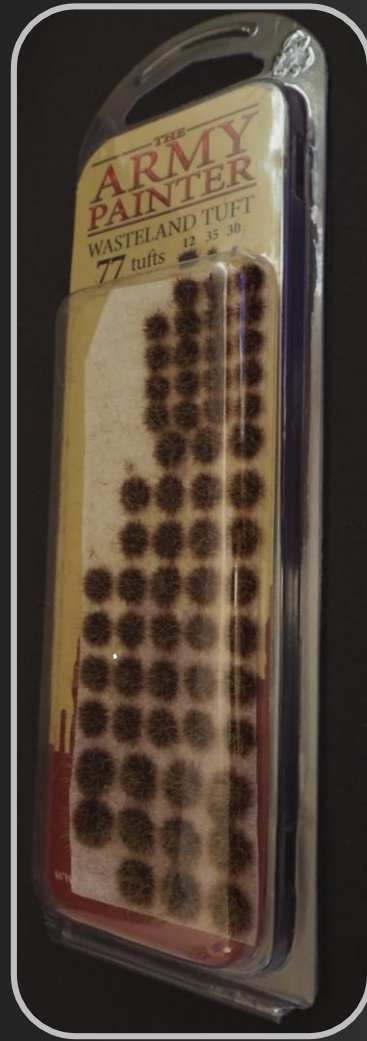

Use an old brush to apply patches of AK's 'Water Gel Swamp Green' paint to create muddy water puddles.

Allow the base to dry for a couple of hours before proceeding to the next step.

Step 4.

To complete the base, sparingly and randomly glue some Army Painter 'Wasteland tufts' and Mini Nature 'Late Fall tufts' to the base using PVA glue.
